

# OUR INVESTMENTS IN COMMUNITIES

ASA International India Microfinance Ltd  
February 2021

---

# Education

## ASA Pathshala

80 ASA Pathsalas across different states supported more than 5000 students with additional learning till the start of Pandemic. Now support is being provided from 16 online ASA Pathsala.

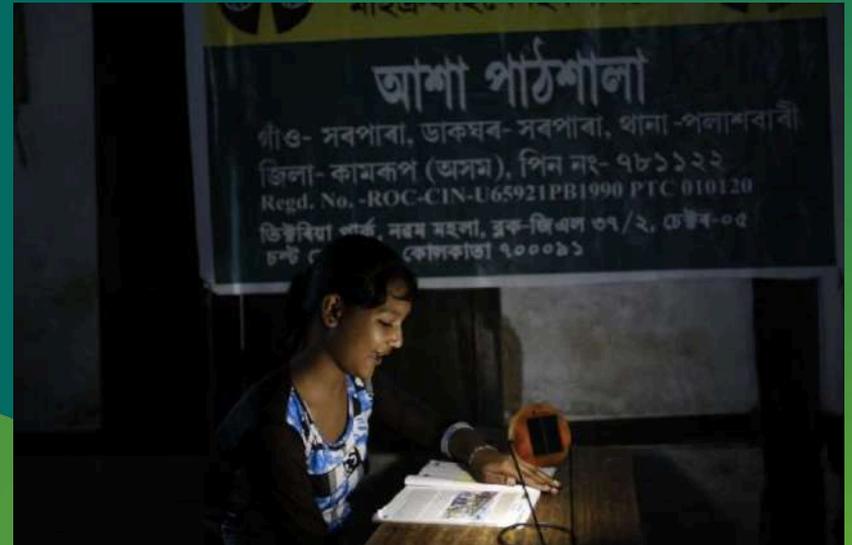

## Tablet distribution to student groups

270 tablets were distributed to brilliant students for group study. 1350 students benefitted from the scheme.

# Solar lamps

More than 300 students were provided with free solar lamps to help them study.

# Scholarship to brilliant students

13 students received an ASA scholarship for getting more than 90% marks in the board examination.

# Health

## Free health checkup camps

More than 100 free camps are conducted every year for the borrowers and their family members. Approximately 12000 women and their families have benefitted from this.

## PROJECT H.O.P.E

In collaboration with Narayana Health

An initiative to provide free health check-ups and early cancer detection services. The healthcare mini-van moves to different parts of West Bengal.

# Eye check up camp

The eye check up camps are organized for ASA India's clients and family. Free spectacles are provided to those that need it.

# Wheelchair distribution

Through this project ASA India aims to support the physically challenged relatives of our borrowers to help them lead their lives with renewed dignity.

# Supporting the difficultly abled

ASA India supports Asha Niketan, an organization that provides adult home care, training, and a conducive environment for intellectually challenged individuals.

# Clean water and sanitation

# Arsenic water treatment plant

Provides safe drinking water to over 4500 people. This access to clean water helps to avoid water borne diseases.

## Disaster relief

Free solar lamps were distributed to more than 500  
Amphan Cyclone affected families

# Disaster relief camp

More than 300 disaster affected families received relief materials.

Masks were distributed to borrowers to help protect them during the Covid-19 pandemic.

All the groups received soap during the Covid-19 pandemic. 720000 borrowers benefitted from the scheme.

# Women's empowerment and skill development

# Skill Development Training

ASA India conducted skill development training in sewing for 600 widowed women in collaboration with Lions Club. More than 500 women received a sewing machine.

# Supporting art

ASA India provides affordable and flexible credit to artisan groups. Additionally, we popularize the creations of client's crafts by positioning them as corporate mementos. 400 pieces have been purchased.
